Access to Road Test Booking Service

Terms and Conditions

ICBC will provide the driver training school ("DTS") with the ability to book appointments for road tests on behalf of its students via telephone ("DEAS") and via the online Road Test Booking Service ("Web DEAS").

Uninterrupted access to the respective road test booking services require strict adherence to the following terms and conditions:

1. The DTS is permitted to make appointments only on behalf of students who are in an active training program with the DTS.
2. The DTS must obtain written authorization, using an ICBC approved form, to disclose personal information to ICBC for the purpose of booking a road test, from each student for whom it will be booking an appointment. The written authorization specifies which personal information will be disclosed, and the purpose for which it is being disclosed. The written authorization also states that ICBC may use the personal information to update its customer database.
3. Schools must use Web DEAS to make appointments on behalf of students for Class 5/7 or 6/8 road tests. The DTS may book appointments on behalf of students via telephone for Class 1, 2, 3, 4, and re-examinations.
4. When making appointments, the DTS must identify the driving school by name, driver training certification number (DTC#), telephone number, driver licence number of the person booking the road test and also must provide the student driver's licence number, student's last name (spelled correctly), class of licence, the desired location, and date and time required.
5. The DTS must not use one student driver's licence number and/or name to hold open appointments for other student(s).
6. All appointments must be booked and cancelled by telephone or online using Web DEAS.
7. Cancellations and rebookings must be completed 48 hours or more before the scheduled appointment time. Extenuating circumstances may be called to the road test centre (or DEAS call centre if booked online) for review and monitoring.
8. Stand-by appointments will be monitored and if a student passes a stand-by appointment, any previously booked road test (for the same class of licence) for that student will be cancelled.
9. The DTS must make every effort to minimize the number of re-bookings and the number of students who do not attend for road test appointments.
10. The DTS may not cancel or change appointments made by individual students without the express written consent of the student, or unless authorized by an ICBC driving school inspector.
11. The DTS, its driver training instructors and all other employees must adhere to the Driver Training Industry Code of Conduct (DTC410).

The DTS agrees to comply with the above terms and conditions. ICBC will monitor the DTS' compliance with the above terms and conditions, as amended from time to time, and failure to comply may result in the withdrawal of the DTS' access to DEAS and Web DEAS, at ICBC's sole discretion. ICBC may amend the above terms and conditions at any time by so notifying the DTS in writing. The DTS will have 30 days after any such notification to indicate to ICBC that it does not accept the amended terms and conditions, in which case ICBC may, at its sole discretion, withdraw the DTS' access to DEAS and Web DEAS. If the DTS does not respond to such notification within 30 days of its receipt, it will be deemed to have accepted the amended terms and conditions.

Purpose and Principles

The Code of Conduct (hereinafter the “Code”) sets out ICBC’s expectations for professional conduct from its driver training stakeholders. It has been developed in a spirit of fairness and in support of British Columbia’s community of driver training schools and instructors.

ICBC respects the expectation of schools and instructors to access timely testing services for their students and to have their questions and concerns heard. This Code supports these goals, while also enabling ICBC staff or agents of ICBC to provide customers with safe and convenient access to the professional service to which they are entitled.

Driver training school owners/operators, their driver training instructors and/or any other staff who violate the Code may have their school’s road test booking privileges suspended.

Code of Conduct

Driver training schools will make every attempt to ensure that:

1. Their employees do not interfere with the ability of ICBC staff or agents of ICBC to conduct their business;
2. Their employees do not use any device to record the road test route or make any visual or audio recording of an ICBC employee, any person who is in an ICBC office or is taking an ICBC-conducted driver examination;
3. Their employees do not solicit business at ICBC offices;
4. For every test booked by the driver training school, a candidate will appear at the driver licensing office at the appropriate time with an acceptable vehicle, and be prepared to be tested; and
5. They will review the Code annually with their employees.

Driver training instructors will:

6. Not make derogatory comments about or engage in confrontations with students, other driver training schools, driver training instructors, or driver examiners;
7. Not attempt to influence or offer gifts or other benefits to a driver examiner or any other ICBC employee in the conduct or outcome of a road test;
8. Not practice in or otherwise use parking lots at ICBC offices during business hours, except for parking, as required, to attend a road test appointment or for legitimate personal business, such as an instructor’s own licensing transactions;
9. Not request a specific driver examiner or refuse a specific examiner to test their students – except where the driver examiner previously tested that student, and there are other driver examiners available at that location;
10. Not interfere with driver examiners, examinees or road test vehicles during road tests;
11. Ensure that their students present themselves to the test location at least 15 minutes prior to the road test appointment time;
12. Ensure that they have their student’s permission to discuss test results with the driver examiner, so as to respect the student’s right to privacy; and
13. Ensure that vehicles presented for road testing meet Motor Vehicle Act and Motor Vehicle Act Regulations safety standards, are properly licenced and insured, and that Commercial Vehicle Inspection Permit (CVIP) stickers, if applicable, are current.
